We also want to recognize and thank each and every parent and guardian who has encouraged these special young people through their four years of high school sports. Our entire staff wants to express our gratitude for your faithful support over the years.

The Athletic Department wants to thank all of you for the commitment, energy, and leadership you brought to our sport programs for the last four years. Many thanks for competing and bringing the good memories to ISD during the years of 2001-2005.
